Fernando Borges Pereira

Front-End Developer | HTML, CSS, JavaScript | Web Development
São Gonçalo, Rio de Janeiro, Brazil

Summary

I am a Front-End Developer with a strong foundation in HTML, CSS, and JavaScript. My focus is on building responsive, user-friendly websites that deliver seamless experiences across all devices. I am passionate about learning and continuously improving my skills to stay up-to-date with the latest web development trends and best practices.

Currently, I am looking for opportunities to apply my skills in a professional setting, contributing to projects that make a difference. I am particularly interested in remote work and volunteer opportunities where I can grow as a developer while supporting meaningful causes.
